If you are a member of a specialty club, state so on the entry form.

1. The Small Animal Show Rules and State and Local Rules, found in Small Animal General Information, apply to this Department. Please read them carefully.
2. **JUDGING:** Cavies that are entered in the wrong class and those absent at the time of judging do not count when computing the number of exhibits in the variety.
3. All cage locks must be removed by the exhibitor prior to judging. Failure to do so will prevent the cavy from being judged.
4. Exhibitor must name the breed and/or color on the entry form when entering in any A.V. or A.O.V. Division. NOTE: Any Other Breed will apply to all standard breeds as prescribed by the latest edition of the A.R.B.A. Inc. Standard of Perfection. They will be judged as one Division, regardless of the number of entries, breed or variety.
5. If an animal is quarantined prior to judging it will not be allowed on the show table.
